

CENTRAL BOARD MINUTES
January 18, 1944

The meeting was called to order by President Guthbert and the minutes of the January 11th meeting were read and approved.

Eilaa Plumb, chairman of the Sadie Hawkins dance, presented a financial report and announced that a net profit of \$109.30 had been realized on the dance.

Guthbert again submitted a request from Mr. Bue for Central Board's approval of "service certificate" awards for outstanding service rendered by members of the Kaimin staff. The Board decided that the presentation of these awards by the Associated Students should not be limited to one activity, but that some system should be developed for conferring similar awards for exceptional service in any student activity. Dillavou, McKee, and Phillips were appointed to study the problems involved in such a plan, and to establish a basis for making awards in various activities.

Sybil Wright reported that Leona Halter will be chairman of the Spurs' defense stamp sale and will be responsible for the handling of the stamps and money which are advanced to the Spurs.

As there was no representative of the local Infantile Paralysis Committee present at the meeting, disposition of the funds collected for the National Foundation for Infantile Paralysis was postponed until the next meeting.

Meeting adjourned.

Barbara Warden,
Secretary

Present: Guthbert, Thompson, McKee, Dillavou, Plumb, Hansen, Harrison, Kinkade, Phillips, Badgley, Briggs, Castle, Warden, Wright.
